

February 4, 2026

To our Friends and Family of Trailblazers Bike Barn,

After only 9 short yet wonderful years of serving the cycling and trail community here in Hobart, IN, we are posting this to share with you that Trailblazers will be closing its doors soon. As you all know we are closed during the winter months. During this time, we have given much thought to start taking steps to prepare for our next chapter in life's journey. Yes....Retirement! Before we go, we want to express our deepest gratitude to you. Whether we helped you find that perfect bike, kept your gears shifting smoothly, stopped in for our fabulous protein drinks and/or smoothies, or simply shared stories of our trails and your adventures, your support has been the gears that kept us moving since the 1<sup>st</sup> day we opened. Because of our great trails we have been blessed with meeting trail enthusiast from our community and from most of the United States, as well as many countries across the world. Without each and every one of you we could not have accomplished our mission of success. We will carry these sweet memories always.

We just listed our beautiful Barn for sale. Once the weather gets better, hopefully in March, we will be opening for a short time for a clearance sale. Please watch our Facebook Page and our Website for the exact dates. While you shop our clearance sale, please feel free to sign our

**Trailblazers Bike Barn Travelers Scrap Book!**

All in stock bikes and merchandise will be discounted.

Service & Repairs: We will no longer be taking in any more repairs.

Gift Cards: We will not be issuing any future gift cards, but we will honor any gift cards that you currently own.

We have been truly blessed to meet so many new friends. We will carry the sweet memories of you with us always. Thank you for being part of our journey and for letting us be part of yours. We hope to see you out on the trails.

With Sincere Appreciation to All,

***Joe & Pam Broadaway & Staff***
