EXPERIENCE

Stickbulb - January 13 - Current - New York, NY

Production & Showroom Coordinator

- Develop and maintain a seamless and efficient production process with the team for all in house light fixture manufacturing
- Maintain and organize all hardware, stick and supply inventory
- Collaborate with the design team to develop and re-design products that are easier to produce and install
- Communicate with multiple vendors for production, workshop and showroom supplies and equipment
- Troubleshoot order returns to ensure a positive resolution with all customer concerns - incorrect, defective and damaged items
- Coordinate with the sales team to ensure the correct orders go out on time or early
- Work with the marketing team to create content for the web, Instagram, and promotional materials
- Daily showroom upkeep - clean, paint the floor, prep/rearrange for events and appointments
- Produce and install new light fixtures for the showroom - create faux ceilings to hang fixtures
- Keep the workshop safe, organized and clean - maintain all tools and equipment for safe operation
- Organize and facilitate timely daily order pickups and deliveries as well as large freight orders

JAMIE CLAWSON/Valentine Goods - January 11 - June 19 - New York, NY

Founder

- Design, create and distribute high quality leather accessories, primarily for use with the Apple family of devices including iPhone, iPad, and MacBook
- Curate the selection of materials that includes an array of exotics - python, ostrich, alligator, crocodile, and anaconda in a wide range of colors, styles, and finishes
- Maintain strict sourcing standards and foster relationships with top local, ethical suppliers in New York City's Garment District
- Develop and hone production processes for each product, including covers for iPhone, iPad, and MacBook, Hats, Shorts, Watch Straps, Bracelets, Card Holders, Keychains, and Skateboard Decks
- Explore new materials, processes, and technology including 3D printing and laser cutting to improve existing items and expand the product range through innovation
- Create and protect a cohesive brand identity in all aspects of the business, from the packaging to the online store
- Design and maintain an ecommerce website of 100's of skus with multiple styles
- Efficiently ship products to over 60 countries on six continents

Levi's - Haddad Brands - June 10 - December 10 - New York, NY

Freelance Designer

- Design graphics for the Levi's t-shirt line using inspiration from seasonal trend forecasting
- Operate a direct to garment printer to create sales samples
- Develop tech packs for finalized t-shirt artwork to send to production for sampling
- Create design requests for the sales and marketing team - specific designs

Real Simple Magazine - October 09 - June 10 - New York, NY

Freelance Prop Stylist

- Assist on various home makeovers and product photoshoots for editorials
- Aid in space redesign and new construction, as well as space styling for photo shoots
