

Formation Flying Checklist

Briefing

Where are we going?
How will we get there?

Aligned and clear priorities to allow teams to fly in formation

Mission

What's your FTAc today?
What do you need from me to give that your full attention?

Empower people to do their best work by not being a "bubble but"

Debriefing

What worked well?
What didn't work so well?

Increase trust and accelerate growth by "learning out loud."

"Fly the aircraft"

"Let's talk about this on the ground"
