

# Formation Flying Checklist

## Briefing

Where are we going?  
How will we get  
there?

Aligned and clear  
priorities to allow teams  
to fly in formation

## Mission

How can we support  
each other to fly our  
own aircraft ?

Empower people to do  
their best work by not  
being a “bubble but”

## Debriefing

What worked well?  
What didn't work  
so well?

Increase trust and  
accelerate growth by  
“learning out loud.”
