ROTARY CLUB OF YREKA

**JOIN US TO TAKE
 ACTION IN OUR
 COMMUNITY AND
 AROUND THE WORLD.**

www.rotary.org

PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

We are working on the following projects:

- Upper Greenhorn Park Table Replacement Project-- We are set to begin phase two with adding 4 more precast ADA compliant tables.
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all.

Other local needs/projects are addressed as they arise.

GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Our Signature Fundraiser-- Our club loves to provide opportunities for service in our community and around the world. We are able to fund these projects through funds raised in hosting a bicycle event called the Siskiyou Scenic Bicycle Tour every year on the first Saturday in May.

Quotes from members:

Rotary is an enjoyable and rewarding way to put something back into the community. I particularly enjoy mixing the social side with helping at events and raising money for good causes.

Honestly, I joined Rotary because as a school administrator I was expected to be in a service club and to network with a cross section of community leaders for the good of the schools and community. I stayed for the friendships and causes.
