STRENGTH. In addition to the fact that the heavy water bottle gives the player something to hold, the bottle also gives the player a sense of security. The player can hold the bottle with both hands, and he can hold it in front of him, or behind him, or to the side. The bottle can be used in many different ways, and the player can use it to his advantage. The bottle can be used to block an opponent's attack, or to throw it at an opponent. The bottle can be used to trip an opponent, or to use it as a weapon. The bottle can be used in many different ways, and the player can use it to his advantage.
