"Thank You" George Finch for refinishing the outdoor bench in the AGC playground. This bench will be used by our staff in our outdoor learning center which was an eagle scout project last summer. With the pandemic and desire to spend more time out on our beautiful playground, our

teachers are so happy to have this bench so beautifully restored. Many thanks to George for his many talents and care of our playground.

"Thank You" to Dan Balvanz for the loan of his tent/awning for the drive in services. This has improved the acoustics for our outdoor services. Pr Gerry

Outreach

Stop Trafficking Together in Lake Country (STTLC)

Many things have changed during this pandemic. And one of those things is a big increase in time spent on computers and other devices. STTLC will be sharing SHORT video clips that will help parents keep their children safe from predators and hopefully get some good conversations started without creating fear. Click on [LINK](#) to watch the first video. And if you want to view more before the next offering, visit fiercelfreedom.org and look for videos under the "Resources". The sites referenced are a great place to learn more: [common sense media](#), [bark](#), and [Protect Young Eyes](#).
