Outdoor Worship Sunday, August 16.

"Thank You" to Dan Balvanz for the loan of his tent/awning for the drive in services. This has improved the acoustics for our outdoor services. Pr Gerry

"Thank You" George Finch for refinishing the outdoor bench in the AGC playground. This bench will be used by our staff in our outdoor learning center which was an eagle scout project last summer. With the pandemic and desire to spend more time out on our beautiful playground, our teachers are so happy to have this bench so beautifully restored. Many thanks to George for his many talents and care of our playground.
