VETERANS DAY SERVICE AND DRIVE THROUGH TRIBUTE

Thank you to Pastor Jackie, Mark, Steve and Peyton Goetz, Emil, tech team, and Boy Scout Troop 20 for putting together such a beautiful Veterans Day online service.

After the service, about 40 people plus volunteers participated in the drive through tribute to our veterans. I was grateful to have Troop 20 and their parents help during the drive through as well as Peyton and his parents and Tanner and Trey Justman.

Vicky's assistance in organizing the event and Roland's programming of music was so welcomed! We collected \$428.12 to donate to Wisconsin Veterans Outreach.

Thank you to all and especially our Veterans!

Please consider sending him a Happy 96th birthday card this week and also thanking him for his willingness to serve our country.

His address is:

Christmas Project for The Women's Center in Waukesha

Since 1977, the mission of The Women's Center is to provide safety, shelter and support to empower all impacted by domestic abuse, sexual violence, child abuse and trafficking. As the only agency of its kind in Waukesha, they envision an engaged community that does not tolerate or accept interpersonal violence and provides abundant resources to ensure futures free from violence.

Outreach would like to support The Women's Center through purchasing Christmas gifts for families.

We feel the safest way for CTK to accomplish this, would be to collect monetary funds and have Outreach do the shopping.

We hope to support 1-3 families through these efforts, making sure families can celebrate a Christmas that includes gifts from their wish list.

- Please remit checks to “Christ the King”, with “Women's Center” noted on the memo line, by Nov. 21.

Any excess funds collected will be used to either adopt more families or purchase food for the families.

With **John Pulley**: speaker, professional personal consultant, author and demand expert.

John Pulley

“The pornification of our society has infiltrated every aspect of our lives. The hidden connection between pornography and sex trafficking is becoming clearer by the day.”

John weaves his life's story as a former buyer and sex addict into a message that reaches boldly into the hearts of men and women who are dealing with sexual addictions of all kinds. Through his story he uncovers the brutal realities of how pornography is driving human trafficking and provides hope for those trapped on both the Buyer and Trafficked sides of the equation.
