# Scout Sunday-Feb 7

WELCOME

Boy Scout Troop # 20 (chartered by CTK)  
will present the "Worship Welcome & Readings"  
Online Worship at 9:00 AM [ctkdelafield.org](http://ctkdelafield.org)

Our Troop was founded in 1932, and chartered by CTK in 1970. Membership ranges from 20 to 50 Scouts. They work on developing leadership skills, self-development, and community service. "A Scout is Reverent" is an important part of Our Scout oath.

Our troop recently competed in, and took 3rd place, in the annual council, "Klondike Rush" event. Scouts pulled dog sleds, were made by each troop, and dog sled races, fire building, buck sawing and winter camping skills were part of the day of leadership and team work.

Scouts prepare their sled for the big race. The camp fire kept us warm and heated the hot chocolate.

In Wednesday's paper, one of the fact checking services, validated the following statement "One in seven households in America, report they don't have enough food to eat." During December, "14% of all adults in the country reported their households sometimes or often did not have enough food to eat in the last seven days." Difficult to comprehend that these numbers are representative of what so many in our country, our neighbors in Southeast Wisconsin are faced with.

### Overflowing Gratitude

The recliner is comfortable, but unchanging. My attentive caregiving husband is both helpful and loving. The full bath on the first floor is a blessing! However, the phone calls, thoughtful cards and delicious meals provided by our wonderful CTK family have been humbling! Our congregation is so giving and sincere! The concern and generosity shown since my fall and surgery has been overwhelming and so very much appreciated!!! Each of you is helping me to smile and laugh when you reach out to spread your joy! Deane & I are so very thankful to our church family for all you have done to help us through this healing process. CTK sure does demonstrate what Jesus taught us! You sure know how to actively love your neighbor!! We are truly blessed by everyone's efforts! We are truly blessed! Overflowing with Gratitude, Vicky & Deane Jaeger

## Letters with Love

Brothers and Sisters,

As our CTK Staff gathers virtually, studies God's word, and works in ministry together, we have been discussing ways to uplift our congregation. With COVID still making gathering difficult, we would like ALL of you to help us with a project from your home! We are asking kids and adults of all ages to spend a few moments to write a note card or drawing of encouragement and send it to another congregational member.

***We are calling this project "Letters With Love."***

Our congregation is made up of shut-ins, newly baptized members, single unit families and large families; volunteers and staff members. Just a few words of encouragement such as "I am thinking of you" or "thank you for...", a favorite memory, a hand drawing from a student, are just a few simple ideas.

#### Family Promise News

Due to Covid-19 churches could no longer provide shelter for families in their churches. You may recall the news that Family Promise set up an "apartment shelter program". The first family moved in Dec 3 and stayed one month until moving into a more permanent setting. Joe reports that they are doing well and on the road to success..... **Continue Reading more updates and opportunities**
