## Letters with Love

Brothers and Sisters,  
As our CTK Staff gathers virtually, studies God's word, and works in ministry together, we have been discussing ways to uplift our congregation. With COVID still making gathering difficult, we would like ALL of you to help us with a project from your home! We are asking kids and adults of all ages to spend a few moments to write a note card or drawing of encouragement and send it to another congregational member.  
**We are calling this project "Letters With Love."**

Who might you send a **note/message/letter/chat/greeting** to?

Our congregation is made up of shut-ins, newly baptized members, single unit families and large families; children, youth, college students, parents, and elders; volunteers and staff members.  
Need an address? Directories are available by contacting the church office.

Just a few words of encouragement such as "I am thinking of you" or "thank you for...", a favorite memory, a wish for the New Year, a hand drawing from a student, are just a few simple ideas. Be creative and encouraging to one another and see where God leads us!

Thank you for being part of our encouraging light!  
Many Blessings, Your CTK Staff
