SEASON OF LENT

I invite you to use the season of Lent to reset your life center. Let the disciplines of Lent be less of a burden and more freeing from the daily grind that we often put ourselves through. PJs, Fuzzy Socks and Undies Are Needed

Nancy Yarbrough-Banks, survivor and founder of Fresh Start Learning in Milwaukee, says the women who stay overnight in the shelter called "Humble Beginnings" need flannel pajamas (S-3XL) fuzzy socks and underwear.

Humble Beginnings, located in the 15th District, opened on Oct. 4, 2018 and has served more than 200 women, who are victims of sex trafficking and domestic violence. The beds are full Thursday night through Monday morning (the days the shelter is open). "We want the ladies to come in off the street, to take off the old and put on the new," Yarbrough-Banks explains.

There will be a box labeled "PJs, Socks and Undies for Humble Beginnings" in the upper sanctuary now through March 8. Please consider donating.

Human Trafficking Awareness

STTLC Takes It on the Road

Members of Stop Trafficking Together in Lake Country (STTLC) are happy to announce we are ready to go public with our training .

Cindy Bonness, retired teacher and member of STTLC who created the training, and Deb Reuland, retired teacher and honorary STTLC member, piloted the training at CTK and Vernon Presbyterian Church earlier this month. They both received excellent feedback and more speaking engagements as a result. Below is a picture of Cindy presenting to the Hartland Women's Club this past Tuesday. STTLC is scheduled to speak

to members of Bay Shore Lutheran Church and Holy Family Catholic Church in White Fish Bay the end of April.

"I'm happy with the response and quality of questions we've been receiving from our audiences so far. It would be great if we could get more men to attend these events," Cindy says.

If you are a member of a community group that would like to learn more about the threat of trafficking in our area, please contact us at StopTraffickingTLC@gmail.com. To learn more about our organization, visit our website at <https://StopTraffickingTLC.com>

Adult Education, Children's & Youth Ministry

Vacation Bible School 2020

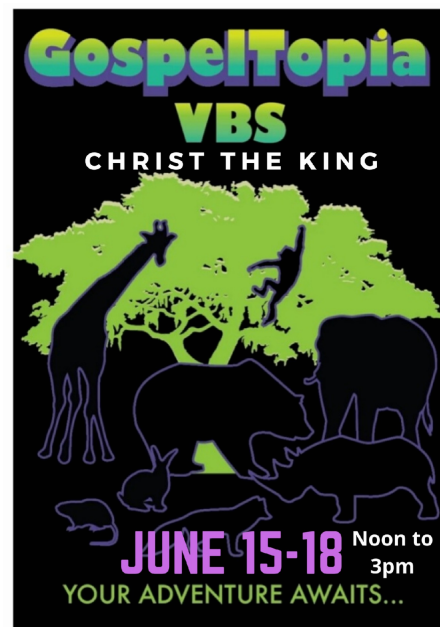

Let's start thinking of warmer weather, summer....and VBS!

This year's theme is **Gospeltopia**. We are going on an adventure in a crazy jungle!

Many volunteers are needed to make this a success! Please see the display in the upper sanctuary to sign-up! Thank you!

We are in need of people to form a **NEW Youth and Education Committee**. We will meet next Sunday, March 8 directly after worship.

Committee will meet once a month to plan and brain storm activities. While working hands are always appreciated, being on committee does not mean members carry out all the work themselves. The commitment is a once a month meeting after worship. We need parents, teachers, grandparents, and other caring adults to help us organize Sunday School, DT, Intergenerational Events, Youth activities, Special/Seasonal Activities, and more. If you are interested in serving, please join us for a meeting Sunday March 8 after worship! Or email Summer at summer@ctkdelafield.org for more information.

March/ April Advocate

March/April 2020 Alive and Growing through God's Grace

The Advocate

A Publication of Christ the King Lutheran Church, ELCA, Dafarisi, WI

Lent is upon us and with it the many changes that take place at this time of year. It is a common saying that March comes in like a lion and goes out like a lamb. Long, cold days hang on, but the light begins to creep back each day. Lent is a penitential season and even Lutherans will sometimes admit the former. Catholic practices of giving things up for Lent, including meatless Fridays. When we have the fabulous Wisconsin Friday fish-by, giving up meat is not too much of a sacrifice.

Congregations are encouraged to adopt a special atmosphere – less decoration in the sanctuary and a more subdued and limited liturgy. Our children helpfully prepare for the season by carrying out the “shelax” banner at the end of the worship service on Transfiguration Sunday. The Ashless doesn’t return until Easter when the full celebration of the Resurrection of our Lord is observed.

A key verse that we might use for our regular reflection this Lent comes from Philippians 2:5-11:

- 5 Let the same mind be in you that was in Christ Jesus,
- 6 who, though he was in the form of God, did not regard equality with God as something to be exploited,
- 7 but emptied himself, taking the form of a slave, being born in human likeness. And being found in human form, he humbled himself and became obedient to the point of death—even death on a cross.
- 8 Therefore God has highly exalted him and gave him the name that is above every name,
- 10 so that at the name of Jesus every knee should bend, in heaven and on earth and under the earth,
- 11 and every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.

I invite you to use the season of Lent to reset your life center. Let the disciplines of Lent be less of a burden and more freeing from the daily grind that we often put ourselves through. Give yourself permission to “rest” time with God. May you be blessed during the season and get ready to celebrate the joy of the resurrection.

In Christ, Pastor Jim Heintzberg
