Better Brain Health

Join us on **July 8th** at 3 pm in the Great Hall for the Waukesha Department of Health's presentation of Better Brain Health. How is your brain doing?

While age is the number one risk factor for dementia, dementia is NOT a normal part of aging. Many individuals maintain high levels of cognitive function well into their late years, but what you do with lifestyle matters! This session will teach participants what they can do to lower their dementia risk and keep their brains healthy.

The **outdoor sign** needs volunteers to change the message. Messages are planned for you. It takes 15 minutes out of your day to promote the church. Sign up in church office. Thank you!

PRELUDE

WELCOME

*Confession & Forgiveness

Blessed be the holy Trinity, ☐ one God,
source of hope in every nation,
rest for the weary,
glory and peace to the ends of the earth.
Amen.

Let us bring every burden to God.

God of all mercy,
**we have sinned against you,
our neighbors, and your creation.
Within ourselves and our communities,
our desire to do what is good
is at war with the evil that dwells in us.
We lament the evil that holds us captive.
We repent of what we have done,
and what has been done on our behalf.
Rescue us, forgive us, and restore us
for lives of compassion and courage
through our Savior Jesus Christ.
Amen.**

All-merciful, Almighty God
forgive you all your sins
through the grace of ☐ Jesus Christ,
and by the Spirit's power
strengthen you in doing what is good. **Amen.**
