1. Open to the presence of your loss
2. Share your emotions about grief
3. Embrace the uniqueness of your grief
4. Explore what this right experience
5. Recognize you are not crazy
6. Understand the 5 levels of mourning
7. Nurture yourself
8. Reach out for help
9. Seek reconciliation, not resolution
10. Appreciate your transformation

Author, educator, and grief counselor, Dr. Alan Wolfelt is known across North America for his inspirational teaching. Dr. Wolfelt uses a "compassionate" model of bereavement which emphasizes a nurturing, soul-based nature of the grief journey.
