"God's Call to Forgive"

THEN PETER CAME TO HIM AND ASKED,

I forgive someone who sins
against me? Seven times?"
"No, not seven times"
JESUS REPLIED,
"but seventy times seven!"

Services will be available on our
Facebook page, You Tube and Website

- **Bring A Lawn Chair** and your face covering, a water bottle and a small umbrella for those sitting in the sun. If you wish to remain in your car, you may want a window screen to block the sun.
- **Register ahead**, but for those who decide at the last minute to attend or registering is a challenge. Do not worry, just come to church! We want you here!
- **To make the entrance smooth** place a piece of paper in your driver side window with your name on it. Please write the names of all of those in your car so that we can take attendance accurately.
- **To make the departure smooth**, please split into two lanes. We will have ushers on both sides to collect the offering
- **Recycle-** after the service place your folded bag and unwanted bulletins in one box and your plastic waste in the other box! Recycling is good! Thank you for the suggestion!

Hopefully, this will help move things along more smoothly. Thank you so much for setting your chairs the appropriate distance apart and for maintaining that space when returning to your cars! We truly want to keep everyone safe

Please Welcome Pastor Jackie Cook

The Council is thankful to announce the positive vote on August 30th and Pastor Jackie Cook's acceptance of our Call.

We are hoping to have Pr. Jackie join CTK by the end of October or early November. She is very much looking forward to meeting and getting to know all of our members!

Let us begin by praying daily for Pastor Jackie and family, as they make their transition.

We continue to thank God for the ministry of Pastor Jim Holmberg, who has served us as our teacher and spiritual guide. Please continue to pray for him and his family as he prepares for this transition.

On behalf of the entire Leadership Board, thank you for your support and prayers as we move into this time of transition and work out the details to come.

Getting to Know Pastor Jackie Cook and Family

Pastor Jackie's husband Randy is semi-retired, but keeps busy driving a bus for special needs children and doing taxes for H&R Block. They have three grown children named Caitlin, Wylie (pronounced Why-lee), and Tessa (the taller and youngest). They also have a pug-dachshund mix named Pippi.

Treasurer Position Open

I have decided to step down as Treasurer effective when a replacement can be found and trained. I promised myself when I took the position 3 years ago that I would continue as long as I continued to grow and improve the position. Recently I began to feel that the job is becoming routine and so it is time to move on. Thank you all for your support during my time as Treasurer. If you know of someone that might be interested in the position please let me know. Mike Hase

Successful School Supplies Drive for MRM

Thanks to our generous congregation at Christ the King, we collected **\$996** for School supplies and Chrome Books for children at Milwaukee Rescue Mission's Cross Trainers Academy! Cross Trainers Academy is a private, Christian school serving at-risk children in Milwaukee. Almost all of those dollars were collected and submitted by the 8/31 matching date. With the matching funds, that is nearly \$2K that is going to aid the poor in Milwaukee!

Rick Mayer, Director of Development at MRM wrote: "We are so grateful to the congregation at Christ the King for your support in serving neighbors who are struggling, especially during this time of a global pandemic! Please extend our thanks ...we greatly appreciate their commitment to helping children who live in poverty in Milwaukee, and we welcome your partnership in providing educational resources for students at Cross Trainers Academy. Week 3 Video 3

This [video](#) is for younger kids and their families, though the message is important for all ages! It starts out with a short advertisement for a fundraiser Fierce Freedom held earlier this summer. And then the video includes 3 activities that teach healthy boundaries to stay safe online, at school and at play! Click the link for "[Talking Points for Healthy Boundaries](#)". Our goal is to hopefully get some good conversations started within families without creating fear. And if you want to view more before the next offering, visit fiercefreesdom.org and look for videos under the "Resources".
