REFRESHING

Refreshing Our Joy
Our Church Home
Our Legacy

Drawing by
Christine Shander

God has entrusted us with this unique and beautiful building where our stories are shared and interwoven with the story of Jesus' love and salvation. Currently, the systems within our magnificent Christ the King building need modernizing and updating, to create a comfortable and vibrant place of worship and gathering places for future generations, where connections are made to God, one another, and the community.

Christ the King Lutheran Capital Campaign

Capital Campaign Goal - \$650,000

Pledges may be paid over three years.

Pledges may be made as a lump sum, weekly, monthly or annually.

Electronic payments are encouraged.

Pledge cards are available from the church office.

REFRESHING OUR JOY:

**“With Joy you will draw water from the wells of salvation”
Isaiah 12:3**

Leaks in winter cause ice on sidewalks and downspouts send water near sidewalks. There are many dents and it's in poor condition.

Project:

Replace gutters

Budget: \$40,000

GUTTERS

AIR CONDITIONING CHILLER

Currently, is 27 years old. Expected life is 25 years. There is a 6 to 9 month lead time.

Project:

Replace Chiller before it fails

Budget: \$200,000

REFRESHING OUR CHURCH:

**“For I will pour water on the thirsty land, and streams on the dry ground”
Isaiah 44:3**

EXHAUST FAN

Our current exhaust fans are inadequate. The doors are kept open with the excess air, creating a safety issue.

Project:

Add additional exhaust fans

Budget: \$50,000

ELECTRICAL and LIGHTING SYSTEM

Panels are outdated at 57 years old. They have reached the end of their life. Also, panel components are no longer available.

Project:

Replace panel, and relocate the panel and networking downstairs

System has reached the end of it's life. Bulbs are difficult to purchase, and uses excessive energy. Creating poor lighting for the service and video.

Project:

Upgrade lighting to LED to improve the lighting for church service and video

Budget for Electrical and Lighting: \$175,000

REFRESHING OUR LEGACY:

**“The Lord will guide you always, he will satisfy your needs in a sun-scorched land and you shall be like a watered garden”
Isaiah 58:11**

OFFICE HEATING and COOLING

The offices all face different directions outside. All three offices are on one zone, making it impossible to set the heat or A/C so that all three rooms are comfortable at once.

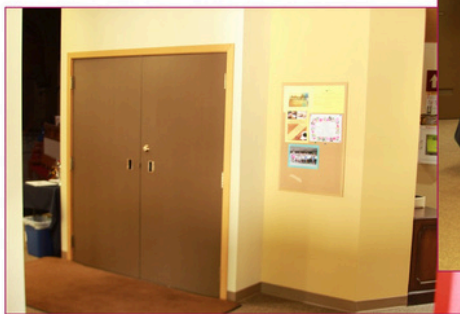

Project:

Create three separate zones to allow for individual room settings

Budget: \$60,000

UTILITY CHASE

The utility case will no longer be necessary after electrical, A/C and lighting work are complete. It will open up the entrance of the church.

Project:

Remove the chase so that when you enter the church the sanctuary is visible

Budget: \$50,000
