## Healing Prayers To Be Offered During Worship

The Eucharistic Team is excited to have been trained by Sylvia to offer healing prayers. This is something that Sylvia offered a few years ago but it faded away when she experienced medical issues. You may recall that after service she waited at the rail near the podium. Individuals wanting special prayers came to the kneeler and asked her to pray for someone s/he cared about. The prayer can be said for any number of concerns (emotional, medical, financial troubles etc.). Please feel free to come to the front pew after the service to wait for your turn with one of the two Eucharistic Ministers offering the prayers. Should someone in the upper sanctuary want prayers, simply ask the usher to go tell one of the Eucharist ministers so that can be accomplished upstairs.

## Faith Formation & Fellowship

### Intergenerational Event | Sunday, February 2

Faith Formation for Everyone!

The first Sunday of February we will have another intergenerational event! These are fun interactive activities to get to know other members and to explore our faith. I am a believer that we need to grow together to grow outside our walls. And that we need to show our young people our faith in action so they catch it! So I hope everyone will join us!

I encourage you to grab a snack and then come back to the pews

for our activity! We will explore "Our Story". Come hear what the nostalgic snack Cracker Jack's have to do with faith, and connect your story with others!

Philemon 1:6

"I pray that the sharing of your faith may become effective for the full knowledge of every good thing that is in us for the sake of Christ."

Many Blessings,  
Summer Markham

Meetings are for planning and accountability of faith and fellowship events for our families to include fellowship outings for youth, Sunday School and Discipleship Training education, and VBS for the summer.

Committee members are not required to be at all education or youth events, but guidance and support is needed.
