Keeping you informed on the Mission and Ministry of Christ the King Lutheran Church, Delafield, WI

This Week In Worship

Sunday, November 10

"They Gave Themselves First to the Lord "
Pastor Jim Holmberg

We express our gratitude to all of those in our congregation who have served in our nation's military. Your service enables us to enjoy many freedoms, especially the freedom to gather to worship Sunday morning.

Veterans Day Recognition

**Sunday, November 10 | 9am Church Service |CTK
10:15 Box Lunch and Program**

Join us for an intriguing program featuring Vietnam War Veteran, Roland Broberg, USAF. He will give a compelling presentation on his recent trip to Normandy for the 75 th anniversary of D-Day. Roland will describe with stories and pictures:

- *How the occupation of a country impacts its residents*
- *Human loss of war*
- *Wasted resources*
- *French mentality*
- *Destruction of a country, and more.*

WHERE SHALL THE U. S. FLAG BE PLACED?

On special days, such as Veterans Sunday, when the flags are brought into the sanctuary, where should the U. S. flag be placed? This matter was discussed at the Oct. 21 meeting of the Worship & Music Committee.

We looked to The Flag Code (U. S. Statutes at Large, 77th Congress, 2nd Session, 1942, Vol. 56 - Part I, Public Laws) for guidance. It states: "When

displayed from a staff in a church or public auditorium, the (American) flag should occupy the position of honor and be placed at the clergyman's or speaker's right as he faces the congregation or audience." This poses a problem at CTK, because of the placement of the pulpit at the far right, it is not possible to display a flag in that position. However, The Flag Code goes on to state: "When the flag is displayed from a staff in a church or public auditorium elsewhere than in the chancel or on the platform, it shall be placed in the position of honor at the right of the congregation or audience as they face the chancel or platform." Therefore the flag will be placed on the far right, at the floor level, before the Communion rail, according to the directive in The Flag Code.

The Worship & Music Committee does not have the authority to change any decision made at a congregational meeting.

Faith Formation & Fellowship

Next Sunday November 17 is Stewardship Sunday

We have our Commitment Sunday to make our pledge of support to God's mission through Christ the King.

We are blessed to have former Interim Pastor Gary Johnson as our special guest preacher for the day.

A brunch will follow our celebration worship

Exterior Renovation Updates

Over the summer Council approved completion of a number of Exterior projects that were funded in conjunction with the 2018 Parking Lot Renovation.

The key projects were:

1. Painting the building
2. Upgrade of exterior doors and ADA compliance
3. Signage / Wayfinding
4. Downspouts
5. Dumpster Enclosure

The objective was to upgrade the exterior doors after the painting was completed. Due to unforeseen delays related to color approval, a member of the congregation hired a

contractor at their expense to ensure that the painting was completed by the end of October.

The millwork and hardware for the doors has been delivered. Unfortunately, the recent snow combined with the forecast of lower than normal temperatures has resulted in this project being delayed. As soon as weather permits, the door project will be completed. Painting of exterior doors will be delayed until spring of 2020. Picture the freshly painted doors to be thrown open in welcoming of our new pastor along with the dynamic exterior color scheme!

Signage design is completed, and a vendor will be chosen later this month. Anticipate installation to take place 1Q20, predicated upon City approvals.

Downspouts were completed by the Property & Grounds committee. PLEASE thank Kirk Carlson and his team for all of their awesome work in maintaining our facility.

Dumpster enclosure will also wrap up the spring of 2020.

The drive is sponsored by Redeem and Restore Center (RRC), a local organization that provides training related to human trafficking and has a long-term goal of providing a safe house and treatment facility for trafficking survivors. The purpose of the drive is threefold: (1) To show we back the badge; (2) to offer training related to human trafficking to local law enforcement; and (3) to build a stronger community relationship.

Items include:

- **snack bars**
- **nut pouches**
- **fruit snacks**
- **trail mix**
- **mints**
- **mini candy bars**

In Memory of Deputy Inspector Tom Audley
(Jill's Dad, CTK's office administrator)

We will collect through November 22.
There is a blue bin located in the upper sanctuary.

Krista Hull, founder of RRC, said care packages were delivered to every law enforcement agency within Waukesha County last year. She hopes to enlarge that footprint with this year's drive. Please help fill our bin to the brim!

Please bring AB 41 to the Floor!

Dear Faithful Advocates,

We are close to getting Safe Harbor to the Assembly floor. Let's emphasize how we value the way youth are treated after they have been victimized into the crime of prostitution. There is a lot of bipartisan support for AB 41 but, of course, for the bill to become law it needs to be voted on in both the Senate and Assembly.

The good news is that the State Senate will be voting on Senate Bill 49 (their version of Assembly Bill 41) tomorrow (Tuesday)! However, after the passage in the State Senate, the bill still needs to go to the Assembly floor to be voted on. The Assembly will convene on Nov. 7 and Nov. 12. All the bills the Assembly will vote on haven't been decided upon yet.

Please continue calling or emailing especially to State Assembly members! Ask legislators to support AB 41/SB 49 and vote in their caucus to move the legislation to the floor for a final vote.

Here are a few ways you can continue your advocacy.

1. If you have already contacted your state legislator(s)-please contact them again with the action alert at the top of the page, your own email, or a call.
2. After you have contacted your legislator-expand your reach. Contact legislators in your region. For example; if you live in Appleton, you could reach out to your region by calling/emailing legislators who represent Neenah, Menasha, or Little Chute. For a statewide breakdown of Assembly Districts, so that you can view your region, [click here](#).
3. Because the agenda is set by the majority in the Assembly, please contact the Assembly Republican leadership and ask that the bill be scheduled for a vote. You can contact the two following offices and ask that they schedule SB 49/AB 41 for a vote:

Majority Leader Jim Steineke: (608) 266-2418 or Rep.Steineke@legis.wisconsin.gov
Speaker Robin Vos: (608) 266-9171 or Rep.Vos@legis.wisconsin.gov

If you haven't advocated yet-please don't wait! Contacts to legislative offices early this week (Monday/Tuesday) will be important to make sure legislators are hearing from their

constituents before decisions on the final calendar of bills is made.

Blessings, Team LOPPW
