## CTK News

### **We would like to try something simple, a "Virtual Amen"!**

Have you heard of a virtual choir? A virtual choir is where a group of people record themselves singing individually and then editing them into group choir.

We would like to try something simple, a "Virtual Amen"!

All you have to do is record a short video saying "Amen".

Instructions:

1. Smile
2. Push record on your phone
3. Count to 2 (To yourself)
4. Say "Amen!"
5. Count to 2 (To yourself)
6. Stop the recording

7. Email the video to rquinlan1@gmail.com by Friday, May 15th

Tips:

1. Hold your phone horizontally.
2. Find bright room, but not in direct sunlight.
3. Look for a nice background.

If we get enough people, we will incorporate this as a video collage into next weeks service. We would like to see and hear all of you next week!
