Current Modifications and Expectations due to COVID

*The occupancy in the lower sanctuary for the church service may be limited, and will vary depending on the current stage of COVID mitigation

*Service length to meet current COVID guidelines.

10/1/2021 currently there are no limits and length constraints. the right-most section is for those who desire social distancing.

Technology Fee includes

Livestreaming and link to on-line service and projection of slides/ picture on the screen.

- CTK is able to live-stream services, but be aware that bandwidth can be unpredictable. Families should be aware that CTK does not have control over interruptions in the live-stream connection.
- CTK will record the service simultaneously and will upload to the CTK Youtube channel or a private link. If private link is desired, submit request via email.
- If family requests that pictures be shown on the screen, they must be formatted on PowerPoint or MP4 by the family and turned into the pastor/office 2 days prior to service.
- CTK is not able to convert a flash drive with individual pictures or to page through a series of pictures. Such presentations are shown before the service begins and are not a part of the recording.
- CTK can not record outside ceremonies such as military honors.
