

## Growth Giving Chart

As Christians we are encouraged to grow in our giving in response to our blessings. As we recognize the gifts that God has provided for us, we are able to share a portion with others. Being a proportionate steward is our way of giving in relation to our abundance. The steps below illustrate the weekly giving levels in our congregation. Please take a moment to determine the step where you are. Then consider how God has blessed you. We invite each household to grow to the next step for the coming year. By taking the next step, you are putting God first and living your faith.

**How might you use this guide to help you grow in response to God's call to generosity?**
