VBS 2021 was blessed by God with beautiful kids,  
absolutely perfect weather, wonderful volunteers & the  
word and music of God's Glory. Thank you to everyone  
who volunteered their time, support, treats, and cash  
donations. You are a blessing!

Dear Friends- It is with mixed emotions that I will be leaving my administrative role at CTK after being with you for 61/2 years. The members and staff are like family to me and I will miss you all very much.

When I started at CTK, I could never have imagined that one of my best friends would be over 100 years old. It has been a great blessing in my life to know you, your families, to pray with you, to mourn with you, to celebrate with you, and to learn from you.

I plan on attending the outdoor worship this Sunday, June 13, so that I can see as many of you as possible, not to say "Goodbye", but "until we meet again." My last official day in the office will be Thursday, June 17. I have expressed to leadership that I will help with the training and the transition as much as possible. My leaving will enable me to meet the current needs of my family as I will be taking a full-time position at another company.

My gratitude is overflowing for the kindness, understanding, compassion, and friendship you have shown me. I know that you are all in God's care and blessed with Pastor Jackie.

As our dear friend and mentor Jaunita would say; "Hang in there kids! Let Go and Let God"

With Gratitude and Love, Jill Vento-Office Administrator

### Treasurer's Summary of Financial Activity May 2021

May's Unrestricted Income exceeded May expenses by \$3k and therefore improved our YTD results by the same amount. Thank you for your generous donations. In accordance with the approved motion at the annual meeting, this month I moved \$7k of excess Parking Lot funds to the General Fund. I plan to report the church's normal financial activity separate from the PPP loan forgiveness and approved transfers from designated funds, as it is critical that we understand our financial position without the benefit of these nonrecurring funds. The YTD loss in Unrestricted Income and G&A expenses remains concerning. Without the aid of PPP and the excess parking lot funds, we have a YTD loss of \$24k. We ask you to prayerfully consider a generous donation to the General Fund to continue ministry excellence.

### Year to Date Unrestricted Income and G&A Expenses
