Better Brain Health

Join us on **July 8th** at 3 pm in the Great Hall for the Waukesha Department of Health's presentation of Better Brain Health. How is your brain doing?

While age is the number one risk factor for dementia, dementia is NOT a normal part of aging. Many individuals maintain high levels of cognitive function well into their late years, but what you do with lifestyle matters! This session will teach participants what they can do to lower their dementia risk and keep their brains healthy.

PRELUDE

WELCOME

*Confession & Forgiveness

Blessed be the holy Trinity, † one God,
whose compassion endures forever.

Amen.

Let us confess our sin to God.

Compassionate God,

we confess to you all our sins.

Our burden is heavy, and we cannot free ourselves.

In your mercy, call us back to you.

Your yoke is easy and your burden is light.

Restore us to dwell in your peace.

In Christ's name we pray, Amen.

Jesus says, "Come to me,
all you who are weary
and are carrying heavy burdens,
and I will give you rest."

In the name of God,

Father, † Son, and Holy Spirit,

your sins are forgiven.

Rest in God's love. **Amen.**
