Time after Pentecost

Presiding
Pastor Jackie Cook

Services are available on
Facebook, YouTube, and the
CTK Website

Welcome to Christ the King!

For your convenience, we provide a socially distanced seating area in the most east section of the pews. Masks will also be made available in the entrance areas. Hand sanitizing stations are also available around the building. We ask that if you are not feeling well, or feel that you may have been exposed to Covid, that you view the service via live streaming. This week we celebrate VBS with Sundaes on Sunday and VBS children singing in church.

Communion is offered in two different forms at either station. Please point to the pre-packaged communion or receive an individual wafer from the server and dip it into the wine or grape juice. Gluten-free wafers are available upon request.

Go to ctkdelafield.org a few minutes *before* the service begins to be prepared for the live stream. If you miss the start of the service, it will be posted later on our website and [YouTube channel](#).

Welcome visitors. For those who are interested in learning more about CTK contact Jan Guetzke (262-560-9685 or Jan.guetzke@gmail.com) with questions.

Celebrating our Connection to Christ

EPIC is off for the summer but Worship is not! All children are welcome in 9 am Sunday worship service. God's work is waiting for them. We have busy bags on the shelves along with crayons,

colored pencils, puzzles, and a children's bulletin. Ask an usher for help or help yourselves. Summer is the time for families to be together, worship included!

Celebrating Our Connection with Each Other

WHAT'S HAPPENING AT CTK?

The Living Water Project

This project was introduced to our congregation by Kate Beiler a few years ago. With your support, we purchased a well for an underdeveloped country that desperately needed clean water. Since then the pandemic hit and the project was out of mind, but not the water problem for others. Currently, we have \$1,667.13. Wells start at \$2500. If 42 people gave \$20 each we could purchase another well that is terribly needed. Kate will give a presentation on July 3 to show you how this program helps those in need. Lets hit the goal by then!

Blessings to all who are graduating this year!
