A message from the Church Council President

Challenging Events and Times Bring Opportunity and Ultimately Change: We are in challenging yet exciting times at CTK and we need to keep the focus on moving forward with faith, change, and perseverance. These times grace us with the opportunity to step back, take a calming deep breath, listen, and look at things from different perspectives. Thank you to everyone for adapting to everything and sharing creative inspirational ideas.... So thankful and blessed that we have staff and volunteers willing to do what they can and are willing to do so faithfully! We now provide a combination of online services, and in-person indoor worship services all with virtual options adapting every step of the way. We have moved forward and have welcomed back committees, groups as well as new groups to gather for meetings and activities.

As necessary the CTK Re-entry Team will continue with ongoing research, monitoring, preparations, and coordination to help us continue moving forward safely worshipping, gathering, and meeting in person at CTK. Keep smiling and keep pushing forward with patience and perseverance!

Amidst all the challenges, it is extremely exciting to see how we have adapted and have continued highly creative and many different ways to worship together. Very thankful to everyone that has contributed and shared their time and talents at CTK!

The Path Ahead: Exciting times and opportunities are ahead for CTK. Please remember to reflect on the past, remember the lessons learned from it, and move forward in our Christian faith together! This is more important than ever. Please encourage others to participate with faith.

Looking forward to seeing our continued progression of CTK in 2022. How exciting! There are and will be challenges and change, but remember we are all a family at CTK and need to work together! Again, please be patient with the process and let us all work together to move forward.

Keep moving forward with faith, change, and perseverance everyone! **Embrace the Change!**

Mission Statement: Alive and Growing through God's Grace

WHEN I CALLED, YOU ANSWERED

Some of us have that friend about whom we are constantly discovering new things. Maybe we've known this person for ten or even twenty years, and one day at lunch we'll find out they're a direct descendant of a dead president or they once met a major celebrity. "You never asked," they'll say with a shrug.

As annoying as this can be, it makes perfect sense, doesn't it? We never asked. There is something strangely sacred about the act of asking for something. It requires humility. It requires grace. It requires us to be awake, to be aware, to be vulnerable.

Is there someone whom you've been missing in church lately? Reach out to them and please, let us know. We would love to contact them and let them know that they are dearly missed. Please provide their name to us on this card and drop in the offering plate or simply call the office.

FUNERAL PLANNING

Dealing with death and grief over the loss of a loved one is very painful. During such an emotional time, it is hard to make decisions, and yet, there are necessary arrangements that must be made. We can help our loved ones by making some decisions ahead of time about the service.

We hope that the below information both helps and guides you through this

difficult time.

CELEBRATING 15 YEARS OF FUN!

This week, we're kicking off our countdown with an email celebrating the 15th year of our Family Ride Run Walk. Read on to learn about the history of the event, our organization, and the vital work your participation supports!

What's the history of this event? The Outreach for Hope Family Ride Run Walk (formerly Family Bike Ride) started in 2008, when a handful of Outreach for Hope supporters organized a bike ride fundraiser and picnic. In the 15 years since, the event has taken on a life of its own, with dedicated participants and volunteers coming back year after year to raise over \$1 million for grants to our Ministry Partners. It is now our organization's largest annual fundraiser.

Who does the event benefit? 100% of your support goes towards our \$165K fundraising goal will directly fund grants to central city congregations in our Synod. These Ministry Partners across Southeast Wisconsin not only provide help with daily necessities like food and clothing needs, medical wellness clinics, and youth and elderly programs - to name just a few; they are also centers of transformation, faith, and hope in the heart of their communities

Prevent Burnout by Managing your Stress

Stress. We live with it every day, and ministry is no exception. I love the commercial a couple of years back where a very stressed young man at the grocery store check out is being asked “paper or plastic?” He has this blank stare on his face as his mind whirls with options: “If I get the paper, how many trees had to die?” But, if I get the plastic, will it overflow landfills?” He can’t decide. In the meantime, the clerk is still asking, “Paper, or plastic?” The line of 15 people behind him is impatient and frustrated, but he just can’t decide. He’s overloaded and stressed out! You find yourself laughing at the commercial because it is too close to home. We are all stressed out, and it is usually the smallest of details that pushes us over the edge. So, what exactly *is* stress?
