

POLITE-SOURCING LLC

We are proud to be an Equal Employment Opportunity and Affirmative Action employer, including females, minorities, protected Veterans, and those with disability.

CAPABILITY STATEMENT

Founded in 2020 by Jamaal Lilly and Kenneth Pope, Polite Sourcing emerged during the challenging times of the COVID-19 pandemic. Our mission was clear to provide customers with affordable supplies and services while prioritizing their satisfaction.

We take pride in our commitment to customer satisfaction. Our team works tirelessly to ensure that your needs are met promptly and with utmost care. We believe that every interaction counts, and we strive to build long-lasting relationships with our valued customers.

Empowering Your Business with Expert IT Support and Strategic Consulting Services:

With our dedicated IT support and help desk solutions, we offer unparalleled technical assistance and troubleshooting expertise to address any IT-related issues your organization may encounter.

Complete Healthcare Solutions:

the critical importance of reliable and high-quality products in the healthcare industry. Our extensive inventory encompasses healthcare supplies, medical equipment, and pharmaceutical products to meet the diverse needs of healthcare facilities, clinics, and professionals.

With our healthcare supplies, you gain access to a wide selection of essential products, including personal protective equipment (PPE), medical devices, diagnostic tools, patient care items, and more.

Comprehensive Procurement Partner for Multiple Industries:

Whether you're in construction, clothing, food service, or other sectors, we are your trusted partner for efficient and cost-effective procurement solutions. With our expertise and extensive network of suppliers, we streamline the procurement process, saving you time, effort, and resources.
