**Attention Parents and Guardians**

**Tuition Transfer Grant**

The Tuition Transfer Grant is designed to assist financially the parents of students currently enrolled in public or charter schools and who desire a Catholic Education for their children but are in need of financial assistance.

The grant is available to students currently enrolled in grades 2 thru 6 and do not attend a Catholic Elementary or Private School.

It is a two (2) year grant: \$1,000 for year one (1) and \$500 for year two (2). In addition, other grants and scholarships are available.

Acceptance and award are conditioned upon completion of and submission of the Financial Aid application (Facts). Students are required to maintain attendance through the first year.

We encourage you to share this good news with neighbors and friends. Any questions please contact Sister Regina, principal, at 215-467-5338 or make an appointment for a visit to our school.

Other dioceses are using this incentive successfully. You benefit as well as the new families. Increasing enrollment will keep tuition from increasing and it will provide extra monies for projects and improvements throughout the school.

Thank you and God bless you,  
Sister Regina
