Dear Sir/Madam

Safeguarding and Safer Recruitment: Letter of Assurance

In accordance with the requirements of the DfE guidance *Keeping Children Safe in Education* and the *Childcare Disqualification Requirements – Supplementary Advice*, I can confirm that Wave Multi Academy Trust has undertaken all the necessary safeguarding, safer recruitment and vetting and barring checks for all employees. This includes Enhanced DBS Disclosures for eligible roles undertaking Regulated Activity.

In addition to this, it is a mandatory requirement that all of our employees undertake level two safeguarding training, which is updated annually. Employees who are eligible for roles undertaking regulated activity receive single agency training.

Our Designated Safeguarding Leads and Deputy Designated Safeguarding Leads all undertake tier three child protection training, which is updated every two years.

I can also confirm that Wave Multi Academy Trust will read and will comply with the 'Code of Conduct' as required by other agencies that we work with (including other schools and academies).

Yours sincerely

Rob Gasson
CEO
