

PE and Sports Premium Spending 2018 – 2019

North Cornwall APA

The PE and Sports Premium funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that North Cornwall APA will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity, kick-starting healthy active lifestyles
2. Increased confidence, knowledge and skills of all staff in teaching PE and sport
3. broader experience of a range of sports and activities offered to all pupils
4. increased participation in competitive sport

NUMBER OF PUPILS AND PE AND SPORTS PREMIUM GRANT EXPECTED TO RECEIVE FOR 2018-2019	
Total number of pupils on role	47 (Primary PAN 20 pupils)
Amount of PE and Sports premium received	4000
Amount of additional PE and Sports Premium received at £10 per pupil	
Total amount of additional PE and Sports Premium received	4000

Key Priorities for 2018-2019
<ul style="list-style-type: none"> • Increased participation in PE, and, in conjunction with this an increase in enjoyment. • Promoting PE as part of an active, healthy lifestyle
<ul style="list-style-type: none"> • Increased 'diet' in terms of the range of PE we can offer our young people. This needs to be different to mainstream. • Increase the number of PE resources available on-site.

Area of Spend	Cost (pounds)
Weekly Swimming Sessions at the local leisure centre (accessible by all Primary students) - These will run for the majority of the year i.e. not just fulfilling the requirements of the National Curriculum.	2300
Additional PE equipment for use on the school playground.	500
Use of outside providers for bespoke PE offerings e.g. Climbing wall.	500
Hiring local facilities e.g. badminton courts, squash courts and astro-pitches so our pupils can experience a wider range of Sports.	700
Total PE and Sports Premium Grant Received	4000
Total PE and Sports Premium Grant Expenditure	

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The programme of study for PE sets out the expectation that pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations.

Nb – We had 4 year 6 pupils. The one student who couldn't quite fulfil the criterion for the bottom two boxes was a complete non-swimmer at the start of the academic year.

Swimming and Water Safety		Please fill out all of the below:
<ul style="list-style-type: none"> What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year? 		100%
<ul style="list-style-type: none"> What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year? 		75 %
<ul style="list-style-type: none"> What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year? 		75 %

PE and Sport Premium Key Outcome Indicator	Actions	Proposed Impact	Sustainability
Engagement of pupils in regular physical activity, kick-starting healthy and active lifestyles	Embed weekly swimming sessions. When appropriate (behaviour permitting) further explore the 'mile a day' activity. Increase students' knowledge of a healthy lifestyle	Students participate in PE on a regular basis. Students better informed to make 'healthy lifestyle' choices. Students level of fitness improves. We are able to monitor an increase in the student's levels of fitness.	All of this is sustainable.
Increased confidence, knowledge and skills of	Craig Tamblyn to be given PM targets around PE. He will need to be	CT will increase participation, enjoyment and the	

staff in teaching PE and sport	given time to disseminate his knowledge to the other teachers within the department.	diversity of PE that's on offer. Staff will feel better equipped to deliver their own PE sessions.	
Broader experience of a range of activities and sports offered to all pupils	Identify a variety of different sports and give our pupils a taste of these to promote interest – Staff to think outside the box! Identify 3 rd party providers and additional venues that can be used for sporting activities. Purchase additional sports equipment for use in School e.g tag Rugby vests.	Students are given opportunity to experience a wide variety of sports including those not necessarily associated with mainstream.	Many of these items should last for a number of years.
Increased participation in a range of competitive sport	Set up intra and inter class competitive sports. Consider participating against other Schools or APA's	Students experience more competitive sport (but this will need careful management with our pupils).	Relationships forged with other Schools, should enable on-going competition and participation.
