## Bis-net (behaviour intervention support network) – Services for Families

Many families struggle to find effective services that support them to cope with the challenges of caring for someone with behaviour support needs.

Bis-net offers several therapeutic interventions for families individuals with Behaviour Support needs. Using a combination of therapeutic practice, behavioural expertise and developmental approaches to find the most effective and relevant support strategies. Helping families make changes that can make a real difference.

There are a few workshops in Exeter running throughout November and December. For more information or to book please check out their website [www.cedaonline.org.uk](http://www.cedaonline.org.uk) or email [sam.harris@cedaonline.org.uk](mailto:sam.harris@cedaonline.org.uk)

## New Rewards System for Our Primary Students

We have recently introduced a new rewards system for the primary children at Clearwater House. The children will continue to earn tickets each day, based on their behaviour and learning choices. For every green ticket they earn, the children get a 5 pence tuck shop voucher.

Every Friday, the two children with the highest number will help organise and run the tuck shop. The Children use the vouchers they have earned each week (a maximum of 25 pence per week) at the tuck shop before home time on the Friday to purchase some small sweets.

# STUDENT ARTWORK

In their history lessons, Harley's class have been learning about the Romans, with a focus over the last week on Hadrian's Wall. They have learned lots of facts about it and even produced their own sketches of what the wall looks like today!

Some of our Year 11 students at Springfield Court have been working on mood boards this term.
