„[...] Der Consultant ist eine dynamische Persönlichkeit mit einer ausgeprägten Fachorientierung, der in seinem Bereich stets die Weiterentwicklung der Themen, Dienstleistungen und Produkte mit großem Engagement zeit- und ergebnisgerecht unterstützt hat. […] empfehlen sie gerne weiter […]“

„[…] Besonders positiv hervorzuheben ist sein Wille sowie das dazu benötigte Engagement zur kompletten Problemlösung und der damit verbundenen Transparenz des Konstrukts. […]“

„[…] Durch diese ihn auszeichnenden Eigenschaften trug er maßgeblich zu einer sehr hohen Kundenzufriedenheit bei. […]“

„[...] zeichnete sich durch eine außerordentliche Einsatzbereitschaft aus, wobei sein Enthusiasmus und sein zielorientiertes Engagement stets motivierend auf die Kollegen und Mitarbeiter wirkte. […]“

„[...] Seine Arbeitsweise wurde durch ein sehr gutes analytisch-konzeptionelles und zugleich pragmatisches Denk- und Urteilsvermögen geprägt. […]“

„[...] zeigte stets außerordentlich große Initiative, beispielhaften Fleiß und hohen Eifer. […]“

„[...] hat die besonderen Aufgaben seiner Position stets zu unserer vollsten Zufriedenheit erfüllt und unseren Anforderungen und Erwartungen in jeder Hinsicht und in allerbester Weise entsprochen. […]“

„[...] hat eine offene und jederzeit hilfsbereite Art. Bei Vorgesetzen, Kollegen und Mitarbeitern war er gleichermaßen sehr anerkannt. […]“

„[...] Gegenüber seinen Mitarbeitern verhielt er sich immer offen und kollegial. Es gelang ihm daher, die Mitarbeiter seiner Teams auch in schwierigen Situationen zu sehr guten Leistungen zu motivieren. […]“

„[...] Seine Projekte plante er äußerst zielstrebig und umsichtig. Er war dadurch in der Lage, auch mit unerwarteten Situationen souverän umzugehen und beendete seine Aufgaben immer termingerecht. […]“

„[...] zeigte eine sehr gute Übersicht und Arbeitseinteilung, vor allem auch in Situationen mit turbulentem Geschäftsbetrieb und erheblicher Arbeitsbelastung. […]“

„[...] Er sorgte für einen umfassenden Informationsfluss und delegierte Aufgaben und Verantwortungen im richtigen Maß. Damit gewährleistete er ein kontinuierlich gutes Teamergebnis. […]“

„[...] erfasste komplexe und diffizile Sachverhalte rasch und entwickelte praktikable Problemlösungen. Herr Hennerici verstand es hervorragend, die Mitarbeiter zu überzeugen und ihre Zusammenarbeit aktiv zu fördern. […]“

„[...] Er verfügt über eine umfangreiche, fundierte Berufserfahrung und beherrschte seine Arbeitsbereiche umfassend. […]“

„[...] He reached the optimal and most cost-effective solutions without fail. He has comprehensive, detailed, and current professional knowledge, in terms of project management methods as well as the current state of infrastructure technologies. […]“

„[...] was recognized and liked as a leading part of the subproject. He succeeded, therefore, in motivating members of his team to strive to do the very best they can, even in difficult situations. Mr. Hennerici always fulfilled the specific duties of his position to our complete satisfaction and he met our requirements and expectations in every respect. […]“

„[...] He was highly respected and well-liked among superiors, colleagues, and staff alike. I have no hesitation in recommending him to any future employer. We would be pleased to reemploy […]“
