

Report on The International Sustainability & Growth Summit 2021

International Perspectives on Global Sustainability Solutions

2-4 September 2021 Dubai /UAE

The International Sustainability and Growth Summit 2021 , hosted by The GUIDE association ,inaugurated by H.E Sheikh Salem Bin Sultan Al Qasimi and the GUIDE Honorary President D.Engs. Abdullah Al Saihati ,has concluded its procedures with an awarding ceremony that honored 4 corporates and 29 individuals with The TISGS Award for Sustainability and Growth Excellence 2021 that was birthed to honor and celebrate some outstanding key players, companies, corporations and individuals who have contributed to the accomplishment of the mission and vision of the GUIDE and have been at the forefront of ensuring economic growth, international unity whilst strengthening bilateral relationship and promoting trade and investments.

The Award two categories addressed social impact and community service in regard to the efforts exerted by companies and individuals to support a sustainable growth in the fields of business, social services and education. The Corporates Awards of Global Business Excellence were granted to Al Saihati Group Of Companies, Dezire Project Consultant, Knutsford University and The RAK Department of Public Services

The TISGS crystalized the vision of The GUIDE in developing a series of conferences and dialogues around the world under one platform for experts to discuss, innovate and to propose new perspectives for the advancement of business, society and professional self-development. The TISGS 2021 gathered some of the most influential leaders in the world including educationists, pioneer thinkers, and successful business leaders who are at the frontiers of advancement. It will cover the latest research findings, current practices, stories of success, and theoretical development in the fields of the 4 pillars of sustainability; human, social, economic and the environmental domain.

The critical importance of sustainability has been further reinforced during the Summit throughout the two days of The TISGS 2021 through panel discussions that targeted Global concerns and issues such as Africa's priorities for a sustainable development, environmental challenges facing the Arab region for the achievement of the SDGs, opportunities for business growth in the realm of ESG integration and sustainability management. Among the experts who tackled the possibilities and introduced recommendations were Daniel Gribbin , Eli Ghazel ,Flemming Rontved ,Dr.Yasser Bahaa , Michele Wong ,Madhusmita Nayak , Dr. Hanan Selim ,Kirsten Westholter and Paula Newby .

The peculiarity of the Summit was in the choice of the panelists and speakers who represented most countries of the world and were present either physically at the venue or virtually through zoom .Britta Simon joined from Germany and spoke on Sustainable Solutions For Health and Resilience of Healthcare Workers And Caregivers During The Global Pandemic . Nadene Joy joined from Canada on the topic of The Healing Power Of

Hope and Gratitude , while Rebecca J, Dahl from The US discussed with Eli Ghazel The Domains of Sustainability and Growth In Relation To The 21st Century Evolution Of Education . Manal Zeineddine from KSA talked on Conscious Learning For Sustainable Growth while Dr.Maya Al Hawary discussed The Culture and Climate Change: Raising Awareness To Drive Critical Change.

Among The TISGS 2021 valued Guests of Honor was HRH .Princess .Dr. Moradeun Oguanlana whose keynote speech was on The Role Of The Humanitarian Efforts of NPO in Promoting Growth In The Third World Countries.

The closing ceremony of TISGS 2021 concluded the Summit with a call for collaborating all efforts to boost health and mental growth in the Third world countries through empowering women as a work force through education, encouraging small projects that help the Youth bloom and exploiting new environmental friendly sources of energy in addition to reserving the Earth Natural resources for future generations.
