The International Sustainability and Growth Summit

"International Perspectives on Global Sustainability Solutions"

Location
Dubai, UAE

Date
November 25th & 26th, 2023

Patron of Summit

SHEIKH SALEM BIN SULTAN AL QASIMI

We are honored & privileged to have the summit held under the patronage of his highness Engineer Sheikh Salem bin Sultan Al Qasimi. His dedication to sustainability is highly valued & we appreciate his patronage.

About the Summit

Sustainable leadership is inspirational as the domain of awareness where we experience values like truth, goodness, beauty, love and compassion, and intuition, creativity, insight and focused attention.

The International Sustainability & Growth Summit 2023 aims at gathering a group of thought leaders from all trends of life to discuss the potentials, challenges and expectations of the post pandemic era.

This Conference is an accumulation of speakers, panelists and industry experts to collaborate, learn & engage in thought provoking dialogue.

Organizers

AL SAIHATI
INTERCULTURAL CENTER
مركز السيهاتي
للتبادل الثقافي

Al Saihati Intercultural Center is the first intercultural center in London that is dedicated to the promotion of multiculturalism and integration through promoting tolerance, peace and understanding. It aims to be a place for everything to learn about different cultures through training programs, educational courses, business consultancy, events & conferences.

The GUIDE is a UK based non-profit organization that provides business platform to promote collaboration between the UK, UAE and various African and European markets. In addition to encouraging business collaborating for all its members and partners, the GUIDE has a global footprint of more than 2,000 members comprising of professional speakers and high profiles experts.

Organizers

Budget Consultancy was established with the intention of assisting companies & Individuals in locating and resolving their inefficiencies. They are passionate about project management and high-quality business analysis. In confidently outlining the greatest option for business, environmental & cultural solutions.

Scientific Business Solutions (SBS) consulting firm was established in 2013 as a dynamic firm growing steadily and swiftly by a group of experts who have more than 20 years of experience in various fields like environmental studies, environmental compliance, waste management and environmental issues. SBS is one of the few consultancies able to combine local expertise and knowledge with global reach and experience.
