If your request is approved, dancers will be required to compete at three dance competitions. Competitions usually cost around \$110 each for a solo, a little less for duos and trios. Dancers are also responsible for purchasing their costume which must have final approval by Meghan.

Solos, duos, and trios are choreography based classes. This means dancers are responsible for practicing and rehearsing their dance on their own once the choreography is done. The amount of time it takes to finish the routine depends on the dancer, choreographer, and routine.

The hourly rates are as follows for teacher: Solo- \$40/hour Duo- \$60/hour Trio- \$75/hour

In addition to teacher rates, studio fee is \$10 an hour.

Private fees will be paid directly to the teacher at the time of scheduling. Studio fees can be paid directly to the studio through Venmo/Paypal/Cash/Check. If fees are not paid at the time of private, the fees will be added to your account.

Recital: Once competitions are completed, any recital solos, duos, and trios will be chosen by Meghan. This decision is final.

By signing this request form, I have read ALL of the information above and agree to the policies of solos, duos, and trios. I also understand that if I must cancel my lesson, I am required to give at least 2 hours' cancellation notice or I will still be responsible for the cost of the lesson.
