Detailed in the following is what you receive for purchasing an NFT from this collection. This is not an offer or solicitation to offer any interest or securities.

The Digital Asset & Revenue Interest Purchase of:

- 0.004% Ownership Revenue Interest per NFT, in a multi-industry organization and fund. Under development, in multiple current projects and businesses
- One NFT = \$2,500.00 USD
- The Potential Quarterly Revenue = \$500 - \$1,000 for the first year. With the monthly revenue increasing. As the companies, we support, continue to develop, and grow.

Synopsis:

- We focus on funding small and mid-sized businesses through NFT based fundraising solutions (process utility patent and trademark pending) using blockchain technology and complex AI systems for growth and expansion
- Revenue sharing fund connected to the NFT will also create a K1 for the year. For any applicable tax breaks needed.
- Not only will you own interest, but you will hold a digital asset. Both of which secure the other, from theft. Both of which give you full control of your purchase into the collection.

Opportunity:

- Opportunity to generate passive Monthly and Quarterly income almost immediately. While developing long-lived, consistent cash flow
- Rising energy prices, coupled with rising worldwide demand. equals higher overall return on your purchase
- Opportunity to acquire several upside potential projects and companies. at a lower rate, while also getting cost efficient labor and equipment. Due to inflation and recession worldwide.

Project Strengths:

- Acquisition of existing projects and companies to generate immediate cash flow
- Established, historically prolific companies, projects, teams, and executives across many industries of focus
- 24% to 30% is a highly conservative projected ROP annually and pre-tax incentives.
- Dual Security for your digital asset and revenue interest embedded in the NFT.

Division's backing the NFT:

- **Defiant Technology** – Focuses on Blockchain Educational Facilities and Crypto mining companies (ability to be at the fore front of the blockchain/web3 revolution. by Training and mentoring the next generation of blockchain/web3 users and entrepreneurs)
- **Defiant Energy** - Oil and Natural Gas production Fund (can create net neutral operations using modern technology. With the additional ability to use the natural gas wells to mine crypto. And producing oil, to continue assisting in lowering rising gas prices. and product and food shortages. With the addition of providing huge tax incentives.)
- **Defiant Entertainment** - Broad focus on Film, Music and media Companies (Ideal for high profile NFT collaborations. And helping the next generation of actors, screenwriters, producers, directors, influencers, musicians, and personalities.)
- **Defiant Properties** - Focuses on Real Estate Opportunities for Feature & Short Films, music videos, social media videos, and Television projects. as well as commercial properties. And for the daily, weekly, and monthly rental properties industry. (This provides steady monthly cash flow, assets, collateral, and tax incentives. Also ideal for networking to create high profile NFT collaborations)

Description:

- Opportunity to be a part of a revolutionary collection and holding company. That will change the way small and midsized businesses access capital.
- Purchase & development of multiple real estate properties, Energy properties, films & television projects with well-known actors, blockchain educational Facilities, NFT creation, metaverse development and acquisition, and mining for cryptocurrency
- Develop net neutral oil and natural gas reserves. while mining for all types of cryptocurrencies. And creating huge tax incentives.
- Process Utility Patent and trademark pending. Making the focus, on giving small to midsized businesses an opportunity to get funding. when private equity, hedge funds, angel investors, and banks have failed them.
