WHY US?

1 / We're a group of Sales Development professionals with countless successes and failures. Learn from our experience!

2 / Our Slack community is free. We are here to support one another. Whether that means answering a one-off question, or helping you land a new job with someone we have worked with.

3 / Knowledge is power. We know what comp plans are fair. What quotas are unattainable. Our interest is in setting you up for success.
