

Nanticoke Historical Society

Pysanky Workshop

Saturday, August 15, 2026

1-5 P.M.

West Side Park 389 W. Grand St., Nanticoke

Donation \$40

Learn the Slavic art of egg decorating called *Pysanky* led by local artist Stephanie Jennings. Ms. Jennings learned to write pysanky from her mother when she was old enough to hold a *Kitska* (a pysanky writing tool known as a hot wax pen). She creates traditional & non-traditional designs with an emphasis on bold color combinations & experimental dye techniques.

Participants will produce 2 eggs: an artist led design & one design of your own choosing. A brief history of Pysanky will be offered. Designs will be created using a kitska.

Tickets are available from the Nanticoke Historical Society office, 495 East Main Street, next to the Mill Memorial Library and if ordering from our website nanticokehistoryonline.org a \$2.00 online transaction fee will be charged.
