

Ford New Vehicle Familiarization Video (7/31/2023)

- Newly posted Ford New Vehicle Familiarization Video recorded from a vendor led webinar and edited to emphasis important aspects of the training. This training covered the www.ford.ups.com site as well as ecad, wiring diagrams and best practices. From the Home Screen select Home then Video Resources and navigate to the Ford folder on the left side.

- Please find the direct link to the iGate page:
