

[iGate Video Tutorial \(8/11/2023\)](#)

- This brief video demonstrates how to navigate iGate to find resources. From the Home Screen please select Home then Video Resources. Next navigate to the L & D Tutorials folder on the left side.
- Here is the direct link to the iGate page:
[Corporate Automotive Engineering - Video Resources - Main on the iGate Framework \(ups.com\)](#)

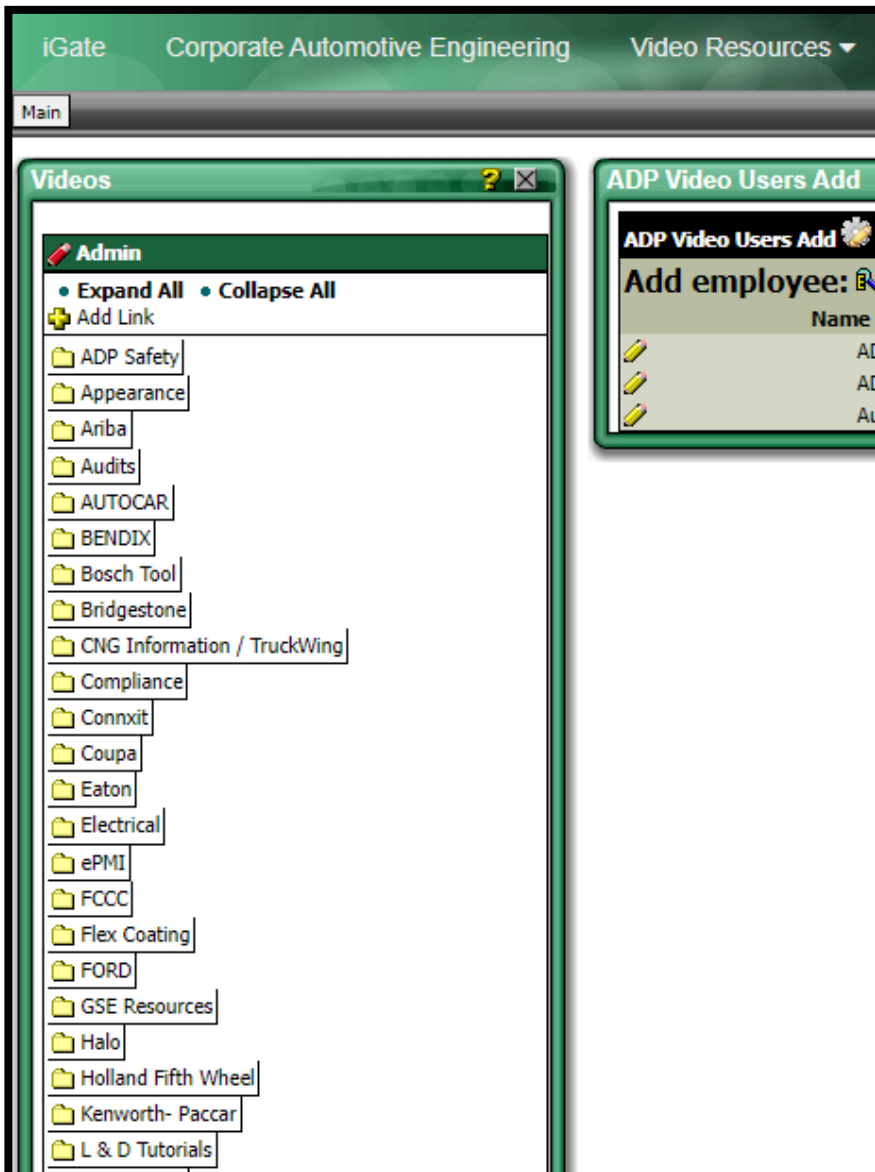

[Corporate Automotive Engineering - Video Resources - Main on the iGate Framework \(ups.com\)](#)

The screenshot shows the iGate Home screen for Corporate Automotive Engineering. A dropdown menu is open, listing various navigation options. The 'Video Resources' option is highlighted in yellow. A pink arrow points to this option from the right side of the screen.
