

RBA ENVIRONMENTAL MANAGEMENT REQUIREMENTS TRAINING

MTBM Group Sdn. Bhd. (1600656-M)

Level 8, MCT Tower, Sky Park, One City, Jalan USJ 25/1, 47650 Subang Jaya, Selangor

Course Title: RBA Environmental Management Requirements Training

Course Validity: 1 Day

Validity: Not Applicable

HRD Corp Scheme: Claimable

INTRODUCTION

This training provides participants with a focused understanding of the environmental management expectations within the Responsible Business Alliance (RBA) Code of Conduct. It covers operational controls required by RBA including waste management, emissions, hazardous substances, environmental permits, energy/resource efficiency and emergency preparedness. Participants will learn documentation requirements, common non-conformances, and how to strengthen environmental compliance to meet RBA and customer expectations.

OBJECTIVE(S):

- Understand environmental requirements under the RBA Code of Conduct
- Learn operational controls for waste, emissions, hazardous substances and resource use
- Understand documentation, evidence and regulatory compliance expectations
- Identify common environmental non-conformances under RBA audits
- Strengthen organisational readiness for RBA environmental assessments

TARGET GROUP(S):

- HSE and sustainability personnel
- Compliance teams
- Operations and maintenance staff
- Environmental coordinators
- QA/QC and supplier compliance teams
- Managers and executives responsible for environmental performance

ENTRY REQUIREMENT(S):

- Able to read, write, and communicate in Malay/English

TOPIC(S):

1. Overview of RBA Environmental Requirements
2. Waste Management & Scheduled Waste Controls
3. Air Emissions, Noise & Environmental Monitoring Requirements
4. Hazardous Substances Management & Chemical Controls
5. Wastewater & Effluent Compliance Requirements
6. Energy, Water & Resource Efficiency Expectations
7. Environmental Permits, Documentation & Legal Compliance
8. Common Environmental Non-Conformances in RBA Audits
9. Evidence Preparation & RBA Environmental Readiness Tips

LIST OF REFERENCE BOOK(S):

- RBA Code of Conduct
- Environmental Compliance Standards
- Scheduled Waste & Chemical Management Guidelines
- Local Environmental Regulations (DOE Malaysia)

LIST OF TEACHING AID(S):

- LCD projector
- Computer
- Whiteboard with accessories

METHODOLOGY(S):

- Lecture
- Group discussions
- Case studies
