Covid-19

Due to the continued pandemic of the corona virus, we are taking extra measures to keep you safe. We will continue to run **ALL** games as a **PRIVATE GAME** at NO ADDITIONAL COST. You will play with only the friends/family that YOU have invited. We will still limit our group sizes to 20 players (unless already set for a special) on the field at any time. We will continue to offer each group the use sanitizer if needed. We wash and sanitize masks and markers after each game.
