

Zone Heater, Air Purifier, & Humidifier

Spend your winter in a warm, cozy environment without worrying about an increased heating bill. Zone heat your home with pureHeat 3-in-1 and turn your central thermostat down so that you are only heating the occupied areas of your home without creating a dry, stuffy environment.

pureHeat 3-in-1 isn't just a heater! It also purifies the air to reduce mold, bacteria, and viruses while the built-in humidifier adds moisture for more comfortable heating. Additionally, the pureHeat 3-in-1 case and front grill remain at a low temperature, ensuring safe heating for the entire family.

An easy-to-read LCD display, automatic timer, and convenient remote make pureHeat 3-in-1 the best option for pure, clean, heated air!
