

THE RL6000

WOODFORD RL6000 VEHICLE TRANSPORTERS

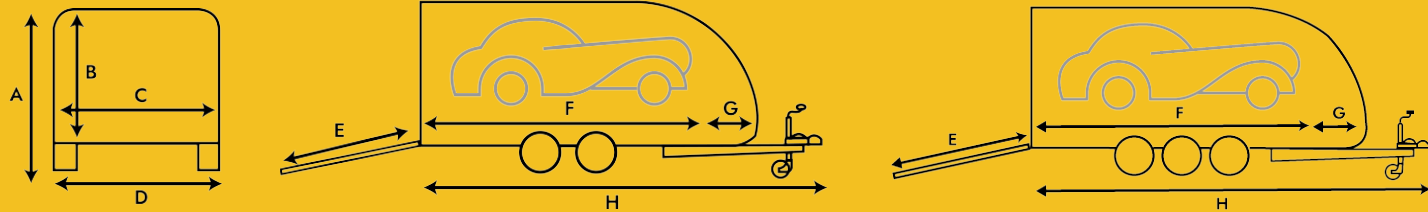

FULLY COVERED PROFESSIONAL VEHICLE TRANSPORTATION

The Woodford RL6000 covered trailer is fitted with a high impact aerodynamic composite body shell, suitable for race events, track days and general haulage. Featuring floor run length mounting points so you can strap the vehicle in securely using the optional heavy duty ratchet straps. Simplicity loading is our utmost paramount importance that's why we implemented a great loading angle thanks to the tilting bed ensuring your vehicle boards the trailer smoothly. The RL6000 models are now available in two or three axles and can be fitted with optional shock absorbers and many extras to suit your needs.

STANDARD RL6000 SPECIFICATION:

- 50mm ball coupling with barrel lock and safety ball
- Spare wheel
- LED lights
- Heavy duty jockey wheel
- Steel ramp tailgate
- Two front access door
- Two main side doors
- Manual tilt bed system
- Internal LED light
