

February 1, 2026

Notes: (1) The Federated Treasury Funds - Cash accounts at BNY Mellon secured by the full faith and credit of the U.S. Gov't. Each BA Fund has this cash account where money is deposited when received for debt service payments or interest/dividend earnings, etc. Since the balances in these funds and the yields are constantly changing, it is difficult to project earnings.
(2) PLGIT Accounts - Liquid accounts similar to a Money Market Fund. PLGIT is a Government Pooled Investment Trust, investing in government obligations and managed by PFM, Asset Managers.
* The BA does not control the investment of these funds, which are U.S Treasury money market accounts.
