FREQUENTLY ASKED QUESTIONS

We understand that every videography company runs their business differently. It can get confusing! So that's why we do our best to be the most simple and flexible vendor for you on your big day.

WHAT YOU NEED TO KNOW!

Do we hire you by the hour?

Each package comes with full day coverage so you don't have to worry about hiring us by the hour. We believe a wedding video should have a beginning and end so we like to be there all day!

How do we reserve our date with you?

Our booking process is a first come first serve policy! When you sign the contract AND pay the deposit, your date will officially be reserved on our calendar.

How much is your deposit?

The deposit is a 50% non-refundable fee. The 50% goes toward your overall total and the remaining invoice isn't due until 1 week before the wedding date.

Can we have raw footage?

Raw footage is priced a la carte. See page 7.

What if we can't pay in time?

We do not charge late fees in the instance that you are unable to pay the full amount by the deadline. You can make payments past the deadline, although you will not receive any videos until the amount is paid in full.

TESTIMONIAL ONE:

I HIGHLY recommend booking Arturo for your wedding - your wedding will be 10x better because of him. Arturo made our wedding guests laugh and made them feel empowered to be on video. Everyone wanted to get in on our wedding video because of Arturo's influential and energetic personality. Needless to say, Arturo is the best! We also got the chance to see our wedding ceremony footage and my goodness, the quality and care that Arturo puts into his videos is out of this world. The videos he puts together are made at such a high quality that it makes you feel like you're watching a movie from an A-list director. We can't thank you enough, Arturo!!

TESTIMONIAL TWO:

I couldn't say how happy I am with Arturo and his team. Junior film is so easy to work with. They are kind, polite, diligent, and thoughtful. Top of the line communication ahead of time to iron out details. They worked great with my photographer team on our wedding day. They go above and beyond to capture all the details. When I received my final highlight video, I cried, laughed, cried, and laughed again. I shared the style I liked with Arturo and the final editing turned out SO good, beyond all my expectations.

Thank you!
