We know lives are busy, so either so we are happy to set up a virtual tour to go over all the aspects of a villa stay and wedding if you don't have time to visit us.

“

" We wanted exactly what we got...the opportunity to spend time with the people we love!

We didn't have to worry about other guests at a resort, the buffet line being too long, not being able to find seats next to each other at the pool, etc. Having a wedding at a private resort allowed our guests the opportunity to get to know each other and form lifelong relationships."

Aubre & John
