THE “IMPACT HUB”

When you sponsor the Next Level Golf Classic, you are doing more than supporting a one-day event – you are investing in the future of young athletes and helping build a stronger community. Every sponsorship dollar directly contributes to four key areas of impact:

- **Youth Development Programs**
 - Your sponsorship provides opportunities for athletes to learn leadership, accountability, teamwork, communication, discipline, work ethic, confidence, and self esteem. Your support helps create a positive environment where young people can grow into confident, responsible, and successful adults.
- **Athlete Scholarships**
 - Every year, talented athletes face financial barriers that may prevent them from participating in club volleyball. Sponsorship support will help create scholarships for athletes that provide club fee assistance, uniforms, and travel support.
- **Training Equipment & Resources**
 - Providing athletes with the tools they need to succeed is essential to their development. Funds raised will help to purchase and maintain volleyballs, training equipment, performance technology, training aids, and strength and conditioning resources.
- **Future Facility Development**
 - One of Next Level’s long term goals is to establish a dedicated volleyball training facility that serves athletes throughout our region. A permanent home would allow us to expand programming and athlete capacity, host camps, clinics and tournaments, and build a lasting resource for the community.
