## *Catch the Aloha Spirit the moment you come aboard a Hawaii cruise*

Our Hawaiian cruises offer an intoxicating mix of island adventure and carefree cruising. You'll venture to four dazzling islands — including a full day and late evening in Honolulu to see the sights and experience its famed nightlife. And there's so much to do while you're at sea, like enjoying live entertainment, world-class cuisine, island-inspired activities and endless ocean views — plus it's all included in your cruise fare! Discover why the Travel Channel named us "Best Cruises to see Hawaii."

We selected this video as the best at describing both packages Princess offers on their cruises, the **Princess Plus** at \$60 per day, and the **Princess Premier** at \$90 per day (the packages require that both passengers in a cabin must purchase).

This YouTube video is by far the best tour of the Emerald Princess we have reviewed. There are areas for kids, but in November, we are counting on most of them being in school.

We will have a booking flyer as soon as we finalize the details, they will be emailed to those that request information and will be available to print on both **MesaCheckmates.com** and the Federation Site- **AZ-SquareDancers.com**

***Please note that we are limiting this package to 35 Couples.*** Along with Dan Nordbye, Don and Diane van Straaten will be co-hosting, questions or concerns can be directed to any of us.
