**PEACEFUL DEMAND FOR AUTHORITY UNDER TREATY AND
CONSTITUTIONAL LAW**

Consular Court File No. 1446-001

19th day of Muharram, 1447 / July 14, 2025

Comes now, I, El Noble William Thomas-al Hasaan Bey, a Moorish American National and Consular Officer of the Moorish Consulate of Al-Morocco, appearing specially and not generally, without granting jurisdiction, to issue this Writ of Quo Warranto under the rights preserved by the following instruments:

- Treaty of Peace and Friendship (1836) – Articles VI, XVII, XX, XXV
- Vienna Convention on Consular Relations (1963) – Articles 5, 36
- U.S. Constitution, Article VI – Supremacy Clause
- Dred Scott v. Sandford, 60 U.S. 393 (1857) – Free Moors recognized (Lines 407–408)
- Hale v. Henkel, 201 U.S. 43 (1906) – Private citizens not under compelled jurisdiction
- Universal Declaration of Human Rights – Articles 13, 15, 18
- Trump v. Casa, Inc. (2025) - Status not fixed or automatic, echoing previous Moorish sworn statements
- Clearfeild Trust Co. v. United States, 318 U.S. 363 (1943) - Any government agency or official, when engaging in commercial activity (e.g., fines, licenses, citations, or demands for Federal Reserve Notes), is acting in a corporate and private capacity. Such action is outside sovereign authority and subject to contract law, UCC, and liability for trespass if no contract or jurisdiction exists
- Ware v. Hylton, 3 U.S. 199 (1796) “A treaty is a law of the land as an act of the legislature is...”
- McNutt v. General Motors, 298 U.S. 178 (1936) -- “Jurisdiction can never be assumed. It must be proven.”

FORMAL DEMAND:

By what authority (**Quo Warranto**) does this municipal court presume or exercise jurisdiction over:

- A foreign Moorish American National, not a 14th Amendment corporate citizen?
- A private conveyance, not engaged in commerce, not for hire, not under state contract?
- A national of a recognized treaty nation, operating under consular jurisdiction?
- A person who has not entered contract or consent with the municipal or state authorities?

The Moorish American People, through bloodline descent and lawful recognition by the Treaty of Peace and Friendship, 1836, are not 14th Amendment corporate "citizens of the United States," but rather nationals of the Moroccan Empire, domiciled on North American soil, governed by the treaty and our own national laws.

The Treaty of Peace and Friendship remains binding under Article VI of the U.S. Constitution, which holds treaties as the supreme law of the land.

REMEDY DEMANDED:

This court is hereby given 21 days from receipt of this Writ to answer, under full commercial and international liability:

Produce the contract or oath-bound agreement showing my voluntary submission to U.S. corporate statutes.

Produce the delegated authority or act of Congress authorizing the Tulsa Municipal Court to override treaty law.

Establish the legal nexus or injured party that justifies your statutory claim.

Respond in affidavit form, under penalty of perjury, signed by an authorized judicial officer.

FAILURE TO RESPOND

If no response is received within the above time, or if the response does not meet the demands herein:

This Writ shall stand as prima facie evidence of jurisdictional overreach,

A record of dishonor, and
Commercial and international default under treaty protections and international
due process.

- These documents are now presented to prevent repetition of such jurisdictional overreach in current or future matters, including citations, seizures, or prosecution by municipal or corporate entities.
- Affiant further invokes Article IV, Section 1 of the Constitution for the United States of America (1789), commonly referred to as the "**Full Faith and Credit Clause**," whereby all public acts, records, and judicial proceedings, including certified instruments recorded in the public record of the State of Texas (e.g., Tarrant County), must be given full recognition, validity, and enforcement in all other jurisdictions, including but not limited to the **State of Oklahoma** and its municipal court.

SWORN STATEMENT OF SEIZING OFFICER

I, Officer Deary #2385, hereinafter referred to as AFFIANT, am over eighteen (18) years of age, have personal knowledge of the facts stated below through my personal observations and investigations of this case, and state under oath that the following statement is true and correct:

I am a Peace Officer under the laws of the State of Texas, and am employed by the Arlington Police Department, a law enforcement agency, currently assigned to the Arlington Police Department Patrol Division and do hereby acknowledge that under the authority of chapter 59 of the Texas Code Of Criminal Procedure, I seized the property listed on the attached schedule of seized property, which by this reference is made a part hereof and incorporated herein for all purposes, and I do further state under oath my factual and legal reasons for seizure of said listed property are as follows:

On July 31, 2010 I, your Affiant, was in police uniform, working routine patrol driving a marked patrol car. I was in the area of 400 W. Sanford in Arlington, Tarrant County, Texas and saw a blue Mercedes that displayed a fictitious laminated plate parked in a parking lot. This particular plate had on it the words "Moorish National." I had been briefed on this particular group that they do not think they are subject to Texas penal laws or the United States Constitution. I was also briefed that they are known to resist officers during arrest and that they are known to give fictitious or false information to identify themselves. I requested another unit as I set up surveillance on the vehicle. A few minutes later the vehicle exited the parking lot onto a public street, to wit Indiana, had traveled south. I got behind the vehicle and initiated a traffic stop for the traffic violation of the fictitious license plate by using my overhead lights at the intersection of Indiana and W. North Street. The vehicle turned east bound on North Street and ran the stop sign at North and NL Robinson. I could see the driver's eyeballs as he was looking in his rearview mirror at me, and it appeared that he was making a conscious choice to not stop his vehicle. The vehicle continued eastbound. Prior to the intersection of North and Center Street I activated my siren to further get the driver's attention. The vehicle failed to stop at the stop sign at North and Center Street. I continued to follow as the vehicle turned north on N East Street Arlington, Tarrant County, Texas, failing to signal the left turn. The vehicle pulled into a driveway at 407 N. East Street and came to a stop. The driver had evaded me for 7 ½ blocks. Back up officers arrive to assist with securing the occupants of the vehicle.

The driver verbally identified himself as Bay, Hasaan B/M and would not give officers his birth date. He also stated to Officer Loza #2442 "I don't observe the laws and I don't

have to stop for you" Officers were able to identify the driver as Thomas, Hasaan 08/10/1995, after speaking to his mother in Tulsa Oklahoma.

The front seat passenger was identified as Crear, James B/M 04/28/1971 and was arrested on an outstanding warrant.

The back seat passenger was identified as Dekic, Edin W/M 09/27/1985. Officer Cornwell #2394 interviewed Dekic who said he had been in the park and had been recognized by some of the individuals that were involved in this incident. They knew he was homeless and offered to take him home and give him something to eat. He said prior to leaving the parking lot the arrestees pointed at a patrol car sitting in a church parking lot across the way. Dekic asked them if everything was okay and they stated that it was. Dekic said when they left the parking lot he observed the police car behind them attempting to pull them over and they kept going. Dekic asked them to stop and asked them why they weren't stopping and he said the passenger in the vehicle told the driver not to stop and to go to their house at 407 N East and to run a stop sign. Dekic said he thought about jumping out of the vehicle when it came to a stop but since it never stopped he was not able to do so. Dekic was allowed to leave the scene without incident.

During the traffic stop at 407 N East Officer Loza saw a B/F and B/M come out of the front door of this location. From a bulletin he had read he immediately recognized her as Mosee, Ashley 12/10/88 and knew she had possible warrants out of Arlington. Officer Loza approached her and detained her based on the warrants. She identified herself verbally as Bey, Lindalleh. She possess a Texas identification card under the name Mosee, Ashley Beth B/F 12/10/88. The B/M identified himself as Bay, Noble Hasaan and refused to give his date of birth. He was arrested and in his wallet was a fake ID with Moors National on it, which had the name of Noble Hasaan Bay. He was later identified as Thomas, William Tyrone 3/18/1972.

Thomas, Hasaan was charged with Evading arrest/vehicle and failed to Identify.
Mosee, Ashley was charged with failed to identify/fugitive and warrants.
Thomas, William Tyrone was charged with failed to identify and tamper with government record.

The 1984 blue Mercedes-Benz that was driven by Thomas, Hasaan to evade police displayed Vehicle Identification Number WDBCA37A8EA009961. The vehicle is registered to William Thomas and was seized for forfeiture.

AFFIANT seized all the property listed on the attached Schedule of Seized Property as AFFIANT contends said property was used in the commission of a felony under Chapter 38.04 of the Texas Penal Code.

ARTICLE 21-

If any citizen of the United States should kill or wound a Moor, or, on the contrary, if a Moor shall kill or wound a citizen of the United States, the law of the country (Muhammadian Law) shall take place, and equal justice shall be rendered, the consul assisting at the trial; and if any delinquent shall make his escape, the consul shall not be answerable for him in any manner whatever.

The Authority of the United States was never setup by the Founding Fathers to deny the Nation of aboriginal Moors, that inhabited these Lands and waters, the Right to the Freedom of movement; or the Right to self governance; or the Right of self determination, which includes the Authority to identify ourselves with Islamic / Moorish American Attributes of Our kind.

Reinken v. Reinken (1933), 351 Ill. 409, 413, 184 N.E. 639,

"At common law, and in the absence of statutory restriction, an individual may lawfully change his name without resort to any legal proceedings, and for all purposes the name thus assumed will constitute his legal name, just as much as if he had borne it from birth. (45 Corpus Juris, 381.) Our 'act to revise the law in relation to names' [citation] permits an individual to apply to the circuit court for the entry of an order changing his name. These statutory provisions are, however, not exclusive but are merely permissive, and they do not abrogate the common law right of the individual to change his name without application to the courts."

Article 15-

- (1) Everyone has the right to a nationality.
- (2) No one shall be arbitrarily deprived of his nationality nor denied the right to change his nationality.

Article 21-

- (1) Everyone has the right to take part in the government of his country, directly or through freely chosen representatives.

We have not injured anyone and Our Free exercise of Our Religious Rights has harmed not a Soul. I, Noble T Hasaan Bey, Grand Sheik of the AMARA Temple of Moorish Science have submitted and Published Lawful Affidavits pertaining to these matters of Identification, for We are instructed by Our Holy Prophet, Noble Drew Ali (PBUH) to, "Let old business stay as it is, and all new business, do it in Your free National Name", and that is a Holy and Divine Instruction coming from Our Holy Prophet; Who was sent to America to awaken the Sleeping Moors and to and to warn

Them of the Wrath of God, (which we call Allah in Arabic) if they do not repent and stop their evil ways; and learn to Love and not hate; and stop the sin of calling Ourselves Negro, Black and Colored and all other Names that dilude to slavery.

Laws from the Holy Prophet:

Moorish American Constituuton and By-Laws -

Act 6-

...they are not Negroes, Colored folks, Black People or Ethiopians, because these were names given to slaves by slave holders in 1779 and lasted until 1865 during the time of slavery, ...Allah the Great GOD of the Universe ordained Noble Drew Ali, the Prophet ...

The Universal Declaration of Human Rights

Article 4-

No one shall be held in slavery or servitude; slavery and the slave trade shall be prohibited in all their forms.

The Holy Koran-

brought to the Moorish Americans by the Holy Prophet Noble Drew Ali:

Chapter XLV-

(1) The fallen sons and daughters of the Asiatic Nation of North America need to learn to love instead of hate... This is the uniting of the Holy Koran of Mecca, for teaching and instructing all Moorish Americans, etc.

He, The Holy Prophet Noble Drew Ali (PBUH), was sent by the All Mighty God, Allah to bring Our People back into the Constitutional Fold of government so that We may imitate Him and Save Ourselves from the destruction that is sure to come if We do not follow His Holy and Divine Instructions; and We have a Right to practice and teach the Word of The Great God, Allah, that was revealed to Our Holy and Divine Prophet, Noble Drew Ali (PBUH); which he revealed to us through the Holy Koran.

Texas Civil Practice and Remedies Code

Sec. 110.003. RELIGIOUS FREEDOM PROTECTED. (a) Subject to Subsection (b), a government agency may not substantially burden a person's free exercise of religion.

STATE OF TEXAS CONSTITUTION

Article 1-

Sec. 6. FREEDOM OF WORSHIP. All men have a natural and indefeasible right to worship Almighty God according to the dictates of their own consciences. No man shall be compelled to attend, erect or support any place of worship, or to maintain any ministry against his consent. No human authority ought, in any case whatever, to control or interfere with the rights of conscience in matters of religion, and no preference shall ever be given by law to any religious society or mode of worship. But it shall be the duty of the Legislature to pass such laws as may be necessary to protect equally every religious denomination in the peaceable enjoyment of its own mode of public worship.

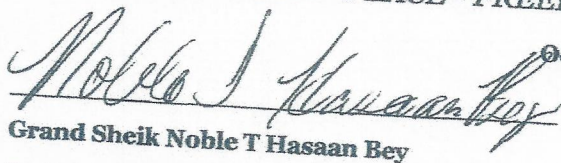

This court's attempt to practice a Power of Attorney over Our affairs is a form of forced servitude and can be easily constued as an attempt to entice Me and My Wife, Lindallah M. Bey, to slavery. The membership cards that we mistakenly filled out (i.e. State drivers license and Texas State identification cards) were voluntary contracts and not mandatory, and We would have never signed them if We were in full disclosure; thus being in sound mind. We have recinded those contracts on the grounds that they were "Void ab Initio" and have since declared Our Nationality and have pledged Our Allegiance to the Moorish American Nation; thus correcting Our status and Free National Name. Our refuted names were given to Us while we were only a

"Minor" and a contract can not be binding on a "Minor". Our Common Law Right to self Identification can not be construed as an attempt to violate law, for we have clearly showed that We have sincere and legitimate Religious beliefs giving Us instructions to do so, for if We chose not to; We would be going against Our Holy Prophet's Divine instructions. We have taken up the Affairs of Our Moorish American Nation, and have instituted government for the welfare of the members of Our social / international Order (see: Authentication Certificate - Document Number - 321992630002 - Moorish Consulate "Mission Statement" in the Office of the Secretary of the STATE OF TEXAS - Authentications Unit). Our Holy Prophet Noble Drew Ali has instructed Us saying, **"With us all members must proclaim their nationality... all men now must proclaim their free national name to be recognized by the government in which they live...";** and Our devotion to Our Holy Prophet is a Religious practice; and Our Right to freely manifest Our religion or belief in teaching, practice, worship and observance can not be Lawfully burdened. Threatening Us with the Authority of the COUNTY OF TARRANT SHERIFF DEPARTMENT is only evidence of a continued application; by the STATE OF TEXAS, COUNTY OF TARRANT, COUNTY OF TARRANT SHERIFF DEPARTMENT, COUNTY OF TARRANT JAIL, CITY OF ARLINGTON, CITY OF ARLINGTON POLICE DEPARTMENT and CITY OF ARLINGTON JAIL (OTTS CRIBBS DETENTION CENTER); of **Threatening** Us with the loss of Our Life, Liberty, Personage, Person and Property; of forcing Us to perform under extreme **Duress** by intimidation with armed and dangerous "citizens on patrol"; and of **Coercing** Us by contract against Our free-will, with the foreign political jurisdiction, which was established to conduct corporate business with other corporate entities (i.e. "artificial persons") and We have dissolved Our "strawman" or "artificial person", for We are "In-full-life / Natural Persons" (Moors) and exercising Our unalienable Rights. Governments are put in place to protect rights and not to hinder, disparage or burden the Natural People with a "color of Law" or a "color of Authority".

Please command the above mentioned entities to return Our effects to Us and to compensate Us (\$30,000 - paid to the AMARA Temple of Moorish Science, a non-profit Religious organization filed in the STATE OF TEXAS) for the losses and damages we have suffered; pecuniary and nonpecuniary. For We were Falsely Accused, Wrongfully Incarcerated (kidnapped and enslaved); denied the Free exercise of Our Constitutional Rights (raising the Federal Question), arbitrarily deprived of Our Personage and Property (robbed), slandered by way of Libel and Defamation of Character, forced to take up names that delude to slavery (Fraud) and forced to dishonor Our Holy Prophet and Our ancient foremothers and forefathers; resulting in Mental Anguish.

I Affirm and Attest that everything in this writ is True To the best of My knowledge under Oathe to the Five principles of Light -
