

A LETTER FROM OUR FOUNDER

Hi, I'm Courtney Valle—a big believer in the power of joyful childhoods and founder of THE CHILDREN'S RAINBOW FUND, a 501c3 Charity based in Palm Beach County, FL.

Welcome. You've found your way to a family of dreamers, doers, and difference-makers on a mission to put the child back in childhood.

I started building Rhythm & Hues in 2015 from a place of passion and purpose. After spending my life as a nanny, educator, entrepreneur, and mother, I saw the need for a space where children could be celebrated—not just supervised.

We opened our first center in June 2017 as a vibrant hub for art, movement, music, and community connection.

Then, in 2020, life took a turn. A traumatic brain injury from a car accident nearly took everything from me—including my memory, creativity, and sense of self. But it also gave me something: clarity. I remembered why I started. And I knew I had more to give.

Since then, R&H has evolved into The Happiness Brand—a joyful ecosystem that includes:

-  Royal Within: Virtue-based princess programming & merchandise
-  RAINBOWpalooza: Our annual joy-festival celebrating the values that shape kids
-  NuDai: Our upcoming tech platform connecting families and businesses
-  The Children's Rainbow Fund: Our nonprofit that ensures all kids get access to joy

A LETTER FROM OUR FOUNDER

We now host community park nights, fundraising events, in-home experiences, and partnerships with hospitals, local leaders, and parent groups who believe—like we do—that joy is serious business.

Where We're Going

Our big dream? To build 100 “Happy Place in Town” centers across the country—spaces that radiate warmth, inclusivity, and imagination. Every child deserves a place to be seen, to shine, and to play with purpose.

Meanwhile, the focus is here. West Palm Beach is HOME. And with The Festival of Kindness, RAINBOWpalooza, plus hundreds of hours donating childhood joy for 3 years and at-cost programming weekly for 7 years at the Mandel Library, and at our own Rhythm & Hues centers... we have proven that our children and parents, society, benefit from our free events. Hence The Children's Rainbow Fund. But we can't do it alone.

Join Us.

Whether you're here to partner, donate, volunteer, or simply share the joy, thank you! You are now part of something meaningful, magical, and mission-driven.

Let's bring the rainbow from south-end to north-end in our town, and to every town! The rainbow is the bridge. Let's build the world our children deserve!

With gratitude,

Courtney 'CJ' Valle
